

# Permalastic®

## Engineered performance for your toughest projects

A highly engineered, two-component mortar.  
Ideal for difficult to bond substrates, heavy traffic  
areas, installation over suspended concrete slabs,  
and exterior commercial applications.

- Save time and cost with each installation
  - Available in fast set Permalastic® Rapid – grout in just 2-4 hours
- Superior flexibility and elongation reduces cracking and costly call backs
  - Exceeds ANSI A118.5 Standard Specification Improved Modified Dry-Set Mortar
- Peace of mind
  - Bridges cracks up to 3/16”
  - Qualifies for a Limited System Warranty\*

# See the Permalastic® difference!

<b>Steps to install</b>	<ol style="list-style-type: none"> <li>Mix two part system – mortar and additive</li> <li>Apply mortar</li> </ol>	<ol style="list-style-type: none"> <li>Rollout crack isolation membrane</li> <li>Work out trapped air</li> <li>Butt seams</li> <li>Repeat steps 1-3</li> <li>Mix thin set mortar</li> <li>Apply mortar</li> </ol>
<b>Cost to consider</b>	<ul style="list-style-type: none"> <li>Permalastic® cost / SF \$ _____</li> <li>Permalastic® Additive cost / SF \$ _____</li> <li>Cost per SF X number of SF to install \$ _____</li> <li><b>Total cost:</b> \$ _____</li> </ul>	<ul style="list-style-type: none"> <li>Thin set mortar cost / SF \$ _____</li> <li>Crack isolation cost / SF \$ _____</li> <li>Cost per SF X number of SF to install \$ _____</li> <li><b>Total cost:</b> \$ _____</li> </ul>

## ProSpec® provides a family of solutions for your tile project needs

### ProSpec® ProColor Grouts

- Available in sanded and unsanded versions of all ProSpec® ProColor grout colors
- Mold and mildew resistant

### ProSpec® ProColor Stain Guard Grout Additive

- Eliminates the need to seal grout
- Increases grout's stain, mold and mildew resistant

### ProSpec® ProColor Advantage Caulk

- Superior flexibility with up to 500% elongation
- Color and texture matched with ProSpec® ProColor grouts

### ProSpec® Preformed Niches, Curbs, Shower Seats and Slopes

- Measure, cut, place and fasten in minutes
- Single-piece, waterproof construction won't leak or require ongoing maintenance
